SWEET ROLL

A bed & breakfast where the landlady serves “breakfast” in bed

It isn't every day that you wake up with a beautiful young blonde riding your cock like it was a bucking bronco. She had her head thrown back, eyes closed, and moaned as her second orgasm rocked through her body. I watched the beautiful tits bounce and longed to get one of the big stiff nipples in my mouth.

For the last six months, I have been living my wildest fantasy. It began when my company sent me out of town for a special project that I didn't like the thought of at first. I'm a real homebody, and spending more than a week or two away from home and my girlfriend wasn't exactly my idea of fun.

But, there was a lot of money to be made. And besides, I would have been looking for another job if I had refused, so I agreed to go.

The first day on the new job, one of the guys told me about a woman who recently lost her husband. She was looking for someone to rent a room from her. It would be much more like being at home, he told me, and also much cheaper than a hotel.

I called her and went over to see her after work. I turned out Mrs. B. was a very attractive lady, in her early forties. She seemed sad and withdrawn; but that was understandable. Her husband had only been gone about three months.

...she literally sucked the boiling cum bubbling up from my aching balls.

Her daughter Bobbie was a real knockout. She lived at home and attended community college nearby. (I enjoyed looking at her because she didn't like to wear panties. So I was able to savor her big firm boobs and even the outline of her pussy as her jeans clung to those lovely pussy lips.) We reached an agreement and I moved into the guest room that very night.

I went to bed horny, missing my girlfriend already. Since my company allowed me to make only one trip home every two weeks, it was going to be a long, dry spell. So that first night I put my hand to work and jerked off, something I don't normally do very much.

That first week I tried not to think about sex. I called home a couple of times, but that only made me lonely. I put in some long hours at work, which made the time pass pretty quickly.

I dreaded that first weekend. All alone in a strange town, I knew it was going to be a long 48 hours. I guess Mrs. B. sensed my homesickness because that Saturday morning, I woke up to find her beside my bed, dressed in a sheer nightie.

"Breakfast in bed, Phil?" she smiled as she put down a tray of eggs, bacon, toast, and juice. There were two cups of steaming coffee. She pulled a chair over and sipped her coffee while I devoured the delicious food. After a brief period of silence she finally said, "My husband always liked to be treated special on Saturdays. I thought you might like it too." She blushed.

She was sad and, at the same time, sexy. I was ashamed of the massive hard-on I had coming to life, hidden under the blanket. She was being kind and I was lusting after her ripe, sexy, voluptuous body. What a shmuck!

She chatted on while I ate. She admitted that she enjoyed having a man around the house again, which to be completely honest embarrassed me a little bit. I guess it was because I was undressing her with my eyes. When I finished, she got up and reached for the tray. Her hand brushed my stiff cock and

she turned a little red. But she left her hand there as she whispered, "Don't worry; Mark used to have the same problem every time I served him breakfast. He called me his sweet roll."

I didn't know what to say. I was flabbergasted at her admission. Her hand on my dick was driving me crazy. "Better move your hand before you become my sweet roll," I warned her.

She put the tray on the dresser and turned to face me. Then she pulled her dress over her head in one swift movement. She was naked; her body was fantastic. Her tits were big, yet firm. Her stomach was flat. And her pussy was covered with light, downy fuzz. She was tanned all over.

Instead of speaking, I simply threw the covers back, exposing my naked body and stiff dick to her bulging eyes. It was as natural as sex with my girlfriend—only way hotter. This was a new woman. A new, hot pussy that I had never probed. My cock pulsed with anticipation.

Mrs. B. took me in her mouth and got me all nice and slippery before she mounted my twitching pole. She was already hot and ready, and she went wild. I lay there while she bounced up and down on my steel-hard shaft, taking herself to higher and higher sexual peaks. It was obvious to me that she released months of sexual tension and pent-up passion.

That first time, I let her do it all. She went crazy. Finally, when I couldn't take it anymore, she literally sucked the boiling cum bubbling up from my aching balls. She then cleaned me up and then took the tray and left.

It very quickly became a regular routine. Every Saturday morning I was there, she would make me breakfast in bed and then try to fuck my head off. It was the only thing that kept me going all week. The strange thing was, during the week she was very formal. She gave no hint of our little Saturday game.

As for Bobbie, that daughter of hers, I didn't see too much of her. She seemed to spend her time either at school or in her room, studying. Her outfits still drove me crazy. She was built like her mother...

When she leaned forward and filled my mouth with her pert little titty

only 20 years younger.

My next surprise came one Saturday during the second month I stayed there. Mrs. B. had an early appointment with her eye doctor. She made it a point to tell me about it the night before, and I was disappointed; of course, it meant no breakfast in bed. Those Saturday mornings were really becoming habit forming.

I woke up that morning with an aching erection. I guess my dick didn't realize there would be no action. I lay there; still half-groggy, stroking my cock and wishing Mrs. B. was there. Suddenly, I noticed the doorknob slowly turning. I closed my eyes and pretended to sleep. There was no cover on my body and my dick was standing straight up like a proud soldier. I figured Mrs. B. had made it back home in time for some hot fucking. I was going to tease her.

I heard someone tiptoe across the room. Still, I kept my eyes closed. Then a warm hand began to caress my prick. The hand was soft and warm, but somehow it felt different.

Then a hot mouth closed over my throbbing prick, so I sneaked a peek. It was Bobbie. Her long, blonde hair covered my belly as her mouth worked hungrily on my throbbing prick. Her wicked tongue sent shivers up and down my spine.

"I'm sorry," she whispered as she looked right at me. "I can't cook. But I didn't want your Saturday to be a total loss." There was an impish twinkle in her eyes.

"You know?" I gasped.

"Of course," she smiled. "She used to do it for my dad."

Just as I was ready to fill her willing mouth with my scalding cum, she stood up and stripped off all her clothes. Her body was perfect. She knelt across my lap and put her hand between our bodies. She put my cock parallel to her slippery pussy and then slid up and down on it; just enough to keep me excited but not enough to make me come.

Her timing was perfect. She slithered that hot, wet pussy all over my throbbing prick. I felt her pussy quiver as the first

wave of her orgasm hit her. She moaned as her hand put my cockhead inside of that tight, wet hole. She groaned and came again. The moist heat inside of her tight snatch was mind blowing. But I held on.

"Do you want me to swallow your cum?" she moaned. Before I could answer, she plunged her pussy all the way down my shaft. "Or if you want to, you can cum inside me," she whispered as she began to wildly bounce up and down on my throbbing organ.

I rammed my hips up at her dancing body and snorted like a bull as my jism erupted from my twitching cock and splashed against her tight sucking sugar walls.

Her quivering pussy must have milked a quart of cum from my balls before she finally let loose and relaxed. We lay there for a while with her still on top of me. Those sweet little titties pressed into my chest as my prick rested in her wet snatch.

Just then the front door opened and I nearly jumped five feet off the bed. Bobbie then quickly gathered up her clothes and slipped out of my room seconds before Mrs. B. came in to greet me good morning.

She smiled as she walked in. "I see you filled in for me," she winked. "Did you like it?"

I answered by running my hand up her skirt, under the panty leg and flicking her clitoris. She wiggled around and pushed her pussy against my hand causing my finger to go deeper inside her. I pulled my finger out of her squishy pussy and put it in my mouth. "There," I sighed. "I was hungry. That was delicious." My Sweet Roll blushed.

It was the beginning of a wild few months. Once Bobbie became part of the scene, it no longer was limited to just Saturdays. Almost every night of the week I managed to bang one or the other—sometimes even with both of them the same night. It was insane. But I don't think I could have taken much more than those couple of months. After all, that's probably what killed Mr. B.!

I'M AMAZED THAT MY ASS CAN TAKE IT ALL! 888-833-5878 MUST BE 18 TO CALL

The horniest chick I'd ever met was naked on her knees before me

Indecent Exposure

I've been told that you give the best head north of the equator."

She smiled politely. "Is that right?"

"Uh-huh." I leaned against the opened door frame of her apartment. The woman I knew only as Kelly had answered my knock on her door, wearing a cream-colored silk blouse of material so thin that I could see the melon-flesh outlines of her nipples.

"Well," Kelly said, "I was just getting ready to go out. Why don't you follow me downstairs and we can talk about it?" She put on a full-length white fur coat and locked the front door on the way out.

I had seen her before, but at a distance. A friend of mine had pointed her out to me in a nightclub a few weeks ago, describing her not as a prostitute, but merely a gorgeous chick who could be had for a price. But she was very selective; I was wondering now if I'd passed the test. It was still too early to tell.

I followed her to the elevator down the hall. It was near midnight and the building was quiet. It was an expensive place to live, occupied mostly by couples with bucks. Not looking at all in their league, just ballsy enough to fake it, I'd gotten suspicious glances from the desk manager in the lobby.

Kelly had a thick mane of curly blonde hair that I wanted to get my fingers into, to pull her face into my crotch and get her sucking on my dick. Just the thought of it gave me a hard-on that was pressing inside my pants.

We waited for the elevator in silence. I looked at her. She looked straight ahead. The elevator doors opened. No one was inside as we stepped in. Kelly pushed the button for the underground parking lot, and then flipped the emergency stop but-

ton. The elevator jerked to a halt. An alarm sounded.

She slid her coat down her arms and opened her blouse to expose her tits. Her fingers had my pants unbelted and unzipped so quickly, before I even had time to react to her practiced moves, she'd pulled my pants down and had my cock in her mouth.

Her hands worked in between my legs, stroking my balls, running taut circles around my asshole. She pressed her breasts against my naked thighs, rubbing back and forth, while pumping her mouth firmly up and down my shaft.

The sweet suckling noises of her lips could be heard even over the blaring alarm. The way she had her tongue flicking over my cockhead had my shaft bulging in her mouth, and her lips drew a firm tension against me like the tightest of wet pussies.

I took her hair and pulled her into me; the sensation even better than I'd fantasized as she gasped at taking in more of my cock than she could comfortably handle.

Her breathing became raspy. She worked faster over my cock, pumping, stroking. Moaning sensuously, she felt my cock spasm and drew off with her mouth. Her hands were warm and slick from her dripping saliva as she pumped my shaft in her fingers.

My cockhead was aimed directly for her mouth... which she held open a bare inch from my jutting shaft. Wads of cum exploded from my cock, firing onto her lips and panting tongue. Still stroking my cock in her slick hands, Kelly swallowed my wad, then licked her lips clean and gave my reddened shaft a final suck that drew the remaining beads of cum into her mouth.

BLAIR-NTS-00

Suddenly I lost my balance and fell back with a thud against the wall of the elevator. My pants were down at my ankles when Kelly switched off the emergency stop button and had us moving again.

"You'd better get dressed. The doorman frowns at indecent exposure—he has no appreciation of nice cock." Kelly applied a red gloss of lipstick to her cum-stained lips and exited the elevator on the tenth floor, leaving me to finish the ride alone.

By the time I'd regained the better part of my lost senses, I'd already staggered through the lobby and gone out to my car. But no sooner had I gotten behind the wheel than I realized it had all happened too fast.

The memory of Kelly sucking my cock only enticed me to

opened onto the parking lot from the inside and I ran easily toward my car. "Pssst," I heard the sound as soon as I reached my car. "Psst." It was coming from the narrow thicket of woods to the left. "Pssst, hot cock." Kelly's voice. Sultry. Thick with passion.

I went into the tall trees, scratching my arm on a long briar. "Where the hell are you?"

"Hot cock," she panted again. What I thought was her bush was only her mink coat. It hung over a low-dipping tree branch.

I strained to see in the darkness. "Pssst. Hot cock." Her voice seemed to be coming from different directions.

Something fell on me from out of away; the tree above my head. I jumped back and thrashed my arms at it, finally tak-

want her again, to see those satin lips wrapping tightly around my shaft, sucking on my cock.

I went back into the lobby and took the elevator back up to Kelly's apartment. On the elevator carpet was a noticeable smear of thick milky-colored liquid; some of my semen that had dripped from Kelly's lips.

When I knocked on her door, there was no answer. After a fifteen-minute wait, I felt half-crazed. I just had to have her suck me again. I wanted it so badly. Banging on her door, I shouted for to let me in. I pounded again for Kelly.

The elevator opened thirty feet away; I saw him coming toward me. He was big but slow-looking. I figured I could have taken him but didn't need the hassle. If I split now I figured he'd forget about me, any more trouble though and he'd probably call the cops.

I ran down the hall toward the stairs, knowing I was in good enough shape to lose him in a 20-story decent foot race. And I was right. By the time I hit 11th floor landing, he was huffing and puffing a good three flights behind.

Once to the lobby level, I was free and clear. The doors

The memory of Kelly sucking my cock only enticed me to want her again, to see those satin lips wrapping tightly around my shaft

ing a strong hold on what turned out to be Kelly's scream-colored blouse. On the ground by my feet were her pants.

"Hot . . . cock."

I pushed my way through a series of prickly pine branches and stepped into a clearing. There she was. Naked. On her knees. Her breasts hung so vulnerably. Her nipples were pinched by the slight chill in the night air.

She licked her lips, making them shine even more. Half-closing her eyes, she gasped, "Hot... hot... hard... cock." The sight of her had me mesmerized. My mind was swimming with a hundred images of what I wanted to do to her.

Kelly wriggled her ass, bending at the waist, letting her ties hang and shaking them slightly. "I want you," she began quietly, "... to take me... however... you want." She righted herself, back now straight, as she remained kneeling. "You want to shove it down my throat...?" She opened her mouth. "Then do it. Or maybe up my ass? Or in my pussy from behind? Go ahead, Hot Cock. It's your night."

My eyes couldn't leave the sight of her lips. She had a way of enunciating that made her lips curve softly with each word

she spoke, showing a flickering of her velvet-textured tongue. She continued encouraging me as I stepped out of my pants.

"You want more hed," she smiled. "You want it in my mouth again?" Kelly saw me staring at her lips. She drew her tongue across the glossy shine of her mouth and parted her lips. "Go ahead. Pump it into my mouth. There's nothing I can do about it, not even scream once your cock is filling me up."

I caressed the sides of her smooth cheeks with my fingertips. She was so beautiful. Such a turn-on. All that raw sexuality in the most cock-crazy, gorgeous chick I'd ever seen. "Open your mouth," I suggested. She separated her lips more than having just parted them to seduce my decision. "Farther!" I groaned, pulling her to me.

"Yes," she panted, forcing her mouth open as far as her jaws would allow, then gasping as my cock thrust over her tongue. She took it all.

In the elevator, she'd gagged

*I walked after her, tucking my
cock back inside my pants. I

as she slipped on her fur coat.*

through its final ripple of ecstasy, then slowly withdrew my slackening erection, getting charged at the sight of pulling my entire length out of her lips.

Finally she began to rise. She smiled, then pushed her way through the pine branches, letting the fine needles scratch lightly across her bare skin as she retrieved her clothes. I walked after her, tucking my cock back inside my pants. I caught a final glimpse of her tits as she slipped on her fur coat. "I'd see you back to your apartment, but your doorman and I seem to have come to some disagreement," I said.

"It's not at all necessary." She held her blouse and pants in her hands, not bothering to fasten her coat in the front. That move allowed me quick glimpses of her silky triangle of pussy hair when she shifted positions. "What kind of work are you in?" she asked.

"I deliver appliances for one of the department stores."

"TVs?"

slightly at having more than half of me in her mouth; now my entire cock was plunging in and out of her mouth, sucked by her tight-wrapping lips that drew her hot saliva up and down my hard shaft. I grabbed her tits; taking them firmly in my hands, letting the erotic feel of them make me even hotter, make me want to come even more as I blasted my dick through her lips, fucking her mouth as fiercely as I had ever fucked even the most durable of pussies.

My fingertips rubbed her hardened nipples, and then grabbed hold of her shoulders. Her entire body was quaking from the pumping of my cock. I wanted to come. I felt the semen rising through my shaft. Grabbing the back of her head, I held on tightly and pumped and pumped my cock through her lips, feeling her tongue licking as my shaft plunged all the way into her saliva-juiced mouth. My cock was almost down her throat when my cum fired hotly into her.

I kept my hold on her head until my shaft had spasmed

"Yeah."

"I could use a new television."

"After you get the TV, can I see you again?"

She nodded and gave me a professional smile. "Any time. You've got some very sweet-tasting cum."

"Is that just a line? It's not necessary if it is. I'm a big boy."

"No line," she said, looking me in the eye now. "The television's for the blowjob in the elevator." Kelly walked away.

My eyes followed her: The smoothness of her fur coat, the thick hair that bounced as she walked, the way her ass moved, and the sight of her holding her clothes in her hand, knowing that she was naked beneath. She was one of the most beautiful, daring, and arousing women I'd ever known. Too beautiful, in fact, to ever know for more than an hour at a time.

I got in my car and headed home. Tomorrow was a work day. And I'd get through it well with the memory of this night. And one day, when the memory would fade, I'd come back.

KRISTINA & HANNAH

Soon these two will be topless, dressed in only their snug cut-offs, while they play with each other's bare boobies, stiff nipples dancing beneath curious fingers. Before long, off come the shorts and they lock lips and play tongue twister. Then, long fingers, soft wet tongues, and pink vibrators are jammed deep inside each other's sweet wet pussies. That's when the orgasms begin, and hopefully never end.
